To each his own it's plain to see
To walk alone you have to be
It's all for you it's all for me.

I'm going to miss you.
Yes, I will no matter who you are I love you still
Well, my life is my conscious, the seeds I sow
I just wanted to let you know.

Familiar faces that I've seen, turning red and turning green
I just got caught with writing on their sleeves
I guess I'll leave.

I'm going to miss you.
Yes, I will, no matter who you are, I love you still
Will you cancel my papers and lock the door, because I
ain't going to be around no more?

Will I make it through the summer, breaking ties with
the old and new, loosing one just gains another.
There is nothing I can do.

I'm going to miss you.
Yes, I will; no matter who you are, I love you still.
Well, my life is my conscious, the seeds I sow.

One change in Mac that, as a senior, makes me most unhappy is the segregation of the freshmen from the rest of the college. I can remember how much I learned by living with upperclassmen, especially in that first year. I have not been able to share with these people what I have learned so that they may evaluate my ideas and shape their own. I do not feel my influence is a corrupting one, nor do I think anyone can protect a person of college age from a corrupting influence. Therefore, I still cannot see what is gained by the "Freshman Experience", I can only feel a loss.

SOCCER

It was another fine season for the 1977 MacMurray soccer team. The Clan booters finished the season with a 7-8-1 record, but managed to capture their third consecutive Illinois-Indiana Collegiate Soccer Conference Title with a 5-0 record. In addition, the Highlanders were selected for the fifth consecutive year to participate in the N.C.A.A. Division III post season tournament.

With only two starters from the 1977 squad graduating, Coach Bob Gay's kickers appear to have a bright future and a propitious prognosis for upholding the rich MacMurray soccer tradition.

The MacMurray "Red" team finished the annual Mac Hoc-Soc Tournament in second place behind a strong Wheaton team. Mac posted victories against Sangamon State University (2-I), Lewis and Clark College (I-0), but fell to Wheaton (3-0) in the championship game. Doug St. Peters, Bob Marini, and Rafael Gardiner each scored a goal in the tournament.

The women's tennis team finished their season with an impressive 5 win NO loss conference record! a narrow 5-4 victory over rival Quincy College highlighted the season.

This year, MacMurray joined with Illinois College to host the first Mac-IC Invitational Tournament. Principia, Blackburn, Quincy, IC and Mac all sent their players to compete in the day long event. Principia went home with first and second place honors in both singles and doubles. However, Mac players, Shelley Stevens and Ruth White joined forces and stroked their way to a third place finish in the doubles competition. Congratulations to the entire team for a fantastic season!

WRESTLING

The wrestling team finished their season with a 7 win 5 loss record. Team efforts also yielded the Mac Grapplers a First Place at the MacMurray Invitational and a Third Place at the KoHawk Invitational. MacMurray scored its greatest victory over cross town rivals, Illinois College, with a 51-0 shutout.

Individual achievements include:

Under the coaching of Mac student Vickie Courtney and Mac graduate Anne Healey, the women's volleyball team posted an 11 win 7 loss season record. The highlight of the season occured on Halloween night when host MacMurray College defeated a strong Greenville team in three games. This was followed by a decisive two game victory over Quincy College. The incident has since gone down in the MacMurray history books as the "Pumpkin Pie" and "A La Mode" episode!

Mac also finished third in the District tournament and second in the Greenville tournament. "Keep it up Mac!"

MacMurray's women shooters finished a long season with a 7-10 record. Two of the 7 wins would be well worth seeing again! After losing to an extremely rough SIU-Edwardsville team early in the season, Mac surprised them 57-55 at the buzzer the second time around. Another impressive victory, for the Mac women, was over arch rival, Quincy College. In a highly emotional game, the fans *cheered* our women to a 61-52 season ending win! Congratulations to the team members and thanks to the fans who supported them throughout the season!

SWIMMING ACQUATICS

Coach Wall and Coach Applebee sit back and take in a winning season.

After posting a 1 win 8 loss season record last year, the MacMurray swim team, in only its second year of existence, finished with an impressive 7 win 6 loss record this year. Determination and hours of exhausting practice helped our swimmers make waves at Monmouth, 79-28, and splashes at Iowa Wesleyan, 61-50.

To say the team has improved over the "years" is an understatement. This season 38 new team records were set, 9 of them by MVP Hal Stansfield. To Hal, the team, and the coaches, congratulations for a fine season.

The MacMurray College Tennis Team ended their season with a third place finish in the Prarie College Conference Match. Mac scored seven points behind Illinois College's nine and Greenville's twenty-one points.

The doubles team of Mike Taylor and Jay Yosenick, the number 1 and 2 singles players respectively, made it to the semi-finals in the Conference Meet.

All of the players are expected to return next year. Hopefully they will come back with more strength, strategy, and experience, as all of them have at least a year in their covers already. Good Luck to all of you potential Jimmy Connors'.

Green Ribbon

White dresses, green ribbon, they go together on the MacMurray Campus. Big and little sisters still get together as they have for many years to participate in the new students' welcome to MacMurray.
A smile, a hug, a friendship. The burning ceremony brings all together again as the ribbons are reverently tossed into the flames and class songs are sung.

Homecoming celebrations are not a peculiarity, but in some ways the manners in which we celebrate might be. Highlander bagpipes and the band perform. This year some of the members of the MacMurray Community were subjected to the drinking booth, while others sold peanuts, taffy apples, and hot dogs. Of course, the soccer team emerged victorious and the queen and her court beamed rapturously, the capstone of a perfect fall afternoon.

Madrigals

Madrigals has become a MacMurray Christmas time tradition. McClelland Hall is decked with evergreen boughs, singers and dancers are clothed in 16th century dress, and diners feast in hearty English fare.

As much as we may love it here, the need to "get away from it all" was met in a variety of ways. During January Term students were given the opportunity to travel in Europe, while a canoe trip was organized in the spring. The magic of Greece, Italy, Germany, England, and France was experienced as students and instructors traveled throughout. Friends were made, and new languages as well as self-sufficiency was learned. The canoers also experienced encounters with rapids, overturned canoes, and wet sleeping bags on cold, windy nights. All in all good times were had.
